# About our Company

## The Largest Asian Food Selection in Finland with over 4000 products

Established in Helsinki, in 2012, Golden Crop has become a leading food supplier for Asian restaurants all over Finland.

With business booming, Golden Crop has built up a professional team with fully equipped refrigerated vans and more than 7000 square meters warehouse space. Our incubator-like comprehensive service makes it most convenient ever for our customers to run an Asian restaurant smoothly. Our product ranges cover most of the needs for Chinese, Japanese, Thai and Vietnamese cuisines. From raw materials, processing instructions to automatic cooking machines, we prepared everything for the need of our customers. Moreover, we are expanding our business lines into retailing and online shopping to serve all Asian food lovers with the most original flavour.

To provide the most up-to-date product selections, the best prices and the fastest delivery for our customers.

SEASONED FRIED TOFU POCKET

Made from soybeans chosen through a strict selection process, our "INARI" is seasoned with flavored konbu seaweed soup stock and carefully selected soy sauce. Just the right amount of sweetness is added so as not to impair the original bouquet and color of INARI.
